## SKILLS

- Programming
- Game Design

## LANGUAGES

- Dutch
- English

## HOBBIES

Since 2018 I regularly play tabletop rpg's like: Dungeons & Dragons.

Usually I take on the role of game leader.

As a sport I practice historical sword fighting.

## EDUCATION

•	<b>VWO</b> Niftarlake College, Maarssen	2014 - 2020
•	<b>Computing sciences (Gametechnology)</b> Universiteit Utrecht, Utrecht	2020 - 2023
•	<b>Game Design</b> HKU, Utrecht	2023 - now

I have a VWO diploma and a bachelor's degree in computer science.

I am currently studying game design.

## WORK EXPERIENCE

Since November 13, 2024, I have been working as an activity supervisor at Kartfabrique.

As an activity supervisor, I have a different task every day.

Sometimes I maintain safety on the kart track, other days I welcome the guests and explain the activities to them and another time I manage everything in the pit lane.
